

~ The Brands You Love at Your Event ~

We Bring Retail Brands to You!

Delight customers and employees with name brand apparel, promotional products, electronics, technology and luxury goods themed to your event, company milestone or special occasion. You determine the budget and pre-select merchandise.

Depending on what you pre-select, product can be branded with your company or event logo. Certain styles can be taken home from the event. Others can be drop shipped later – a great way to extend the event experience and make a final impact.

Contact us to discuss how we can WOW event attendees and employees with name brand products and personalized service!
